

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

7 JAMES V. WILLIAMS,)
8 Petitioner,) 2: 10-CV-00658-PMP-LRL
9 vs.)
10 BRIAN WILLIAMS, et al.,)
11 Respondents.)
/

13 This is a petition for writ of habeas corpus pursuant to 28 U.S.C. § 2254 in which petitioner,
14 a state prisoner, is proceeding *pro se*. On July 19, 2010, this court entered an order denying
15 petitioner's motion to amend his petition to add an additional claim, finding that the claim was
16 unexhausted. On July 27, 2010, the court received a letter from petitioner, requesting a copy of his
17 motion so that he can "file" in state court. (Docket #11.) Petitioner states that the prison's copy
18 machine is broken, thus indicating that he still has a copy of the motion. There is no entitlement to
19 the use of copy machines and petitioner provides no explanation as to why he cannot simply use the
20 copy of the motion which is still in his possession for reference in exhausting his claim in state
21 court. Petitioner's request is therefore **DENIED**.

22 DATED: August 9, 2010.

Philip M. Pro
United States District Judge
